NITHYA Yoga: Sattvic Nutrition & Mindful Diet

Ayurvedic Dietary Principles for Vitality and Clarity

1. Principles of Sattva Purity & Harmony

Food eaten with gratitude produces pure prana and mental clarity.
Eat fresh, seasonal, lightly cooked or raw natural plant foods.
Avoid overly pungent, stale, fermented, or artificial items.

2. Recommended Daily Foods

Fresh sweet fruits figs, dates, berries, apples.
Whole grains basmati rice, quinoa, millets, oats.
Herbal teas tulsi, ginger, cardamom, cinnamon, chamomile.
Healthy fats cold-pressed sesame oil, soaked almonds, seeds.

3. Mindful Eating Practice

Never eat when stressed or in a rush.
Sit comfortably, offer quiet gratitude before the first bite.
Chew each morsel thoroughly, leaving one-third of stomach for water and air.
